HOME SCHOOL AGREEMENT

We are delighted to welcome new students to Baldon School and all members of staff will do their very best to provide an excellent experience in all ways for all of our young people. It is in the best interests of all of our young people that the school should work in partnership with the students' families.

If such a partnership is to work successfully then the school, parents and students all need to make certain commitments.

School

The school, its governors, teachers and associate staff will:

- Treat your child with dignity and respect at all times.
- Give your child the opportunity to benefit from an excellent education.
- Keep you informed on all aspects of our work and your child's progress.
- Set, mark and monitor homework and provide facilities for children to do homework after school.
- Arrange annual Parents' Evenings during which your child's progress can be discussed.
- Keep parents informed about school activities through regular newsletters, letters and notices about special events.
