Behaviour and Rewards

Policy

Date of last review	December 2016	Review period	2 years
Date of next review	December 2018	Author	I Noble
Type of policy	Statutory	Approval	Governors agreed December 2016

“No student has the right to disrupt the learning of others. Teachers will have disruption free learning areas in which they can teach and students will have disruption free learning spaces in which they can learn.”

Boldon School is committed to giving all students the best possible opportunity to succeed in education. Our aim is to support all students in school with academic excellence. The behaviour policy has been introduced to eradicate low level behaviour in all learning places and give teachers and students disruptive free learning environments and improve all outcomes for our young people.

Typical features of poor behaviour include students:

- Talking unnecessarily or chatting.
- Calling out without permission.
- Being slow to start work or follow instructions.
- Showing a lack of respect for each other and staff.
- Not bringing the right equipment.
- Using mobile devices inappropriately.

Expectations

All members of the Boldon School community are expected to help maintain a positive atmosphere for learning which is coupled with mutual respect.

Conduct in lessons

Students who are ready for learning at Boldon

- Line up quietly outside the classroom prior to the start of the lesson or as instructed.
- Enter, stand silently behind the desks and are seated when invited to by the member of staff leading the lesson.
- Sit silently whilst the register is taken.
- Listen in silence whilst the member of staff leading the lessons speaks.
- Raise their hand to ask a question without calling out.
- Work exceptionally hard without disrupting other students' learning.

If a student fails to meet any of these simple expectations their name will be written on the whiteboard and this is a formal warning. The member of staff leading the lesson will briefly explain to the student why their name has been written on the board. The second time during a lesson that a student fails to meet these expectations they will be sent to the Behaviour Support Centre (BSC) for a period of one full day e.g. Lesson 3 – Lesson 3. Failure or refusal to go to the BSC will result in a one day fixed term exclusion with the day in the BSC completed upon their re-admittance to the school.

If a student is sent to isolation:

The member of staff who sent the student to BSC will meet with the student at the end of the day for a restorative conversation where they will be made aware of what they did wrong; why it disrupted learning and what needs to be done differently next lesson. To allow this to take place students sent to BSC will be required to remain in school until 3.30pm that day.

General conduct in school

A student will always be issued with a fixed term exclusion if they:-

- Swear at a member of staff (even under their breath).
- Defy a member of staff by walking off when being spoken to/reprimanded.
- Physically attack another student or member of staff.
- Fail to follow instructions in the BSC or the Hive following a warning.

Parents must attend a meeting with a member of the Pastoral team following a fixed term exclusion. Failure to attend a meeting will result in the student remaining in the BSC until the meeting has taken place.

Swearing/Verbal Abuse

Students who use foul or abusive language in school or aimed at other students will be removed from the lesson and will be placed in the BSC for 1 day.

Swearing/Verbal Abuse towards a member of staff

Students who swear or use abusive language towards a member of staff will be issued with a fixed term exclusion for a period of 3 - 5 days. This will be a combination of external and internal exclusion.

Inclusion Centre staff will work intensively with the students to ensure poor behaviour does not happen again. Persistent swearing/abuse to any member of staff will carry a sanction of a permanent exclusion.

Smoking

No student will smoke on the Boldon School site or when dressed in the uniform of the school. If a student smokes or chooses to associate with smokers the consequences will be as outlined below:-

- Smoking/associating with smokers will lead to time in the BSC.
- Refusal to hand over smoking paraphernalia when asked by the Head Teacher will lead to a three day fixed term exclusion.
- All tobacco and related paraphernalia will be destroyed.
- Referral to school nurse/cessation group.

(**Note:** 'Smoking' is defined to include any tobacco based products and also e-cigarettes.)

Mobile Communication Devices (Phones/Tablets etc.)

These may only be used before school, at morning break, at lunch and after school. During lesson time, they will be switched off and placed in bags, not pockets.

- If a phone/tablet is seen during lesson time it will be confiscated and parents/carers will be asked to collect it from the school's reception.
- The same applies to headphones. Headphones are not to be worn around the neck. They should be placed in bags during lesson time.

- If a student refused to hand their phone over, they will be sent to the BSC for a period of one working day.
- Refusal to go to the BSC will result in a one day fixed term exclusion with the day in the BSC completed upon their re-admittance to the school.

Failure to complete homework

- Students are expected to hand in homework on the deadline date; students need to complete all homework within the designated time frame.
- Students are placed on a 30 minute detention with the classroom teacher or as long as it takes to complete the homework (under 30 minutes). Faculties are welcome to organise homework evenings on a rota basis. Teachers need to contact parents to explain the non - homework issue. (No negative referral is issued)
- If a student fails to complete the 30 minute detention they are placed on a 1 hour faculty leader's detention and the faculty leader contacts parents via phone. This means two members of staff have reinforced our expectations to parents and they are warned that failure to complete the hour detention will mean a negative referral is issued and the student will be placed in the BSC for a day.
- If students fails to complete the 1 hour detention with the faculty lead, then they will receive a negative referral and one day in the BSC.

Detentions

Students who fail to attend for any detentions, usually 30 minutes, will receive further additional sanctions of 1 hour. If they fail to attend again the sanction will increase to one day in the BSC for continued defiance.

Likelihood of Permanent Exclusion

Permanent exclusion from Boldon School is the final sanction and this will only apply in exceptional cases. The school expects all students to adhere to this behaviour policy at all times but repeatedly breaking this policy or being involved in a 'one off' extremely serious incident could lead to a permanent exclusion. An indicative but non exhaustive list would include:-

- Swearing/aggressive behaviour to any member of staff.
- Persistent swearing at a member/s of staff.
- Bringing alcohol, recreational drugs or paraphernalia into school.
- Being in school under the influence of alcohol or drugs.
- Bringing a weapon of any sort including pen knives and BB guns.
- Persistent bullying.
- Persistent disruption of lessons.
- An unprovoked physical assault on another student or a member of staff.

Behaviour and eating in corridors

During change overs between lessons students will act appropriately. This includes walking purposefully around the school, no running, shouting or whistling in public places in school.

During social times students are expected to do the following: -

- To sit/stand with their friends before school, break, lunch and after school in either their Break Out areas, Bistro or outside - not in the corridors.
- To eat only in the Bistro or other designated area at break and lunchtimes, not in the corridors.
- Students who fail to follow these rules may be placed on detention or in the BSC at the discretion of the DOL/APL.

The journey to and from home

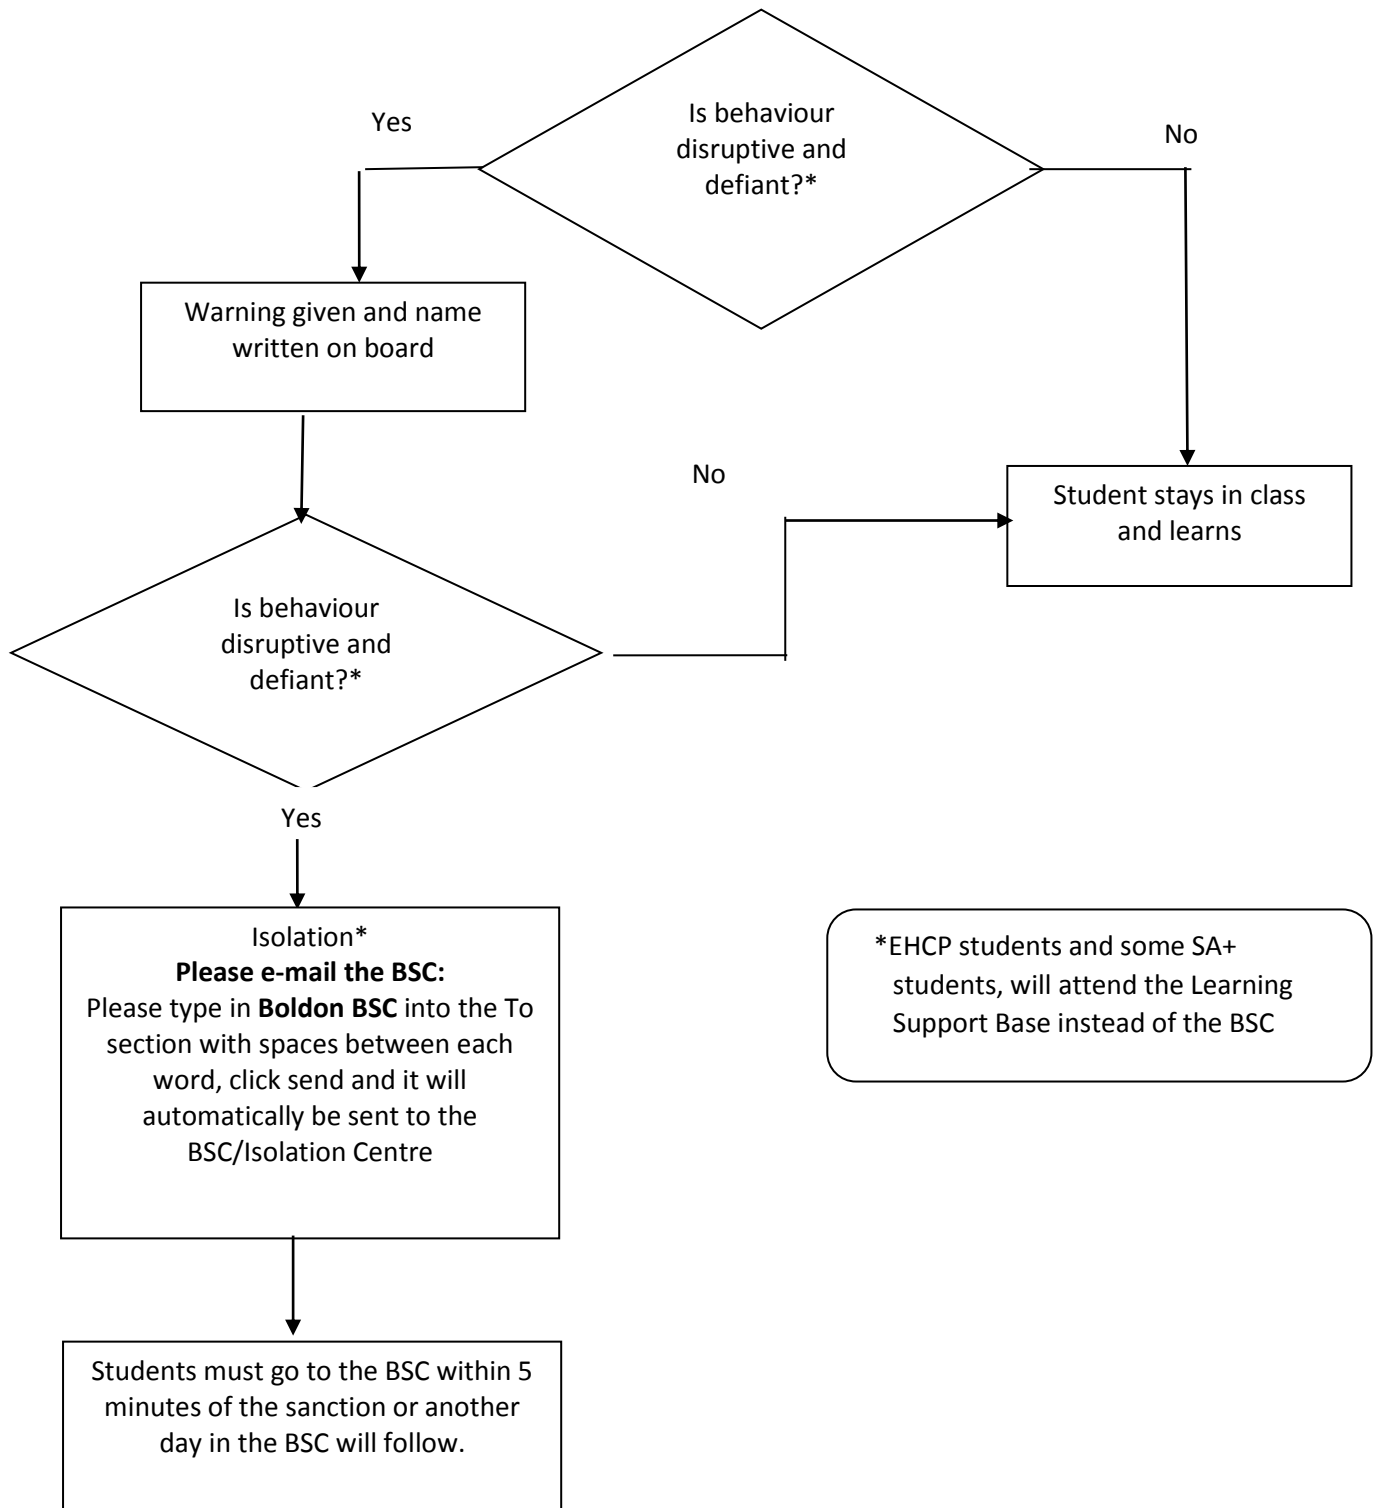

Students are expected to demonstrate a high standard of conduct on the journey to and from school as they are ambassadors for past and future generations of children who will attend Boldon School.

Students must arrive at school and leave school in full uniform. Students are not permitted to wear outside coats, jackets and hoodies inside the school building.

Students are expected to:

- Arrive at school promptly and in full uniform.
- Use the cycle pathways and roads in a sensible and safe manner at all times.
- Take any litter home and dispose of it properly.
- Respect our neighbours and all local residents.

What Happens Next?

Please remember to e-mail the Behaviour Support Centre.

Please type in **Boldon BSC** into the **To** section with spaces between each word, click send and it will automatically be sent to the BSC/Isolation centre. All staff also need to record the information regarding the student/s on SIMs under behaviour.

There are a number of things that will happen once a student has been sent to the BSC. The following is a simplified version of this process:

1. The student arrives at BSC:

- The student hands over their mobile phone.
- The student completes a reflection sheet.
- Once the reflective sheet is filled in the student is then given additional work to complete.
- At the end of the day the student is expected to engage in a restorative conversation with the teacher.
- The student remains in the BSC the next day until the time they were sent out of lessons (e.g. sent out P3 remain isolated until the end of P3 the following day).
- If the student does not engage with any of the above expectations they will be given up to 5 days fixed term exclusion (FTE) and will be required to repeat the day in the BSC on return.

2. Parents will be contacted by the administration faculty to inform them their child has been isolated:

- The administration faculty will email the teacher concerned to remind them to attend the restorative conversation and contact home.
- The teacher will have a restorative conversation with the student.
- The teacher will then contact home to explain/discuss the incident.
- Refer to FAQs for further information about this stage.

3. If the student receives three FTEs or five isolations in one term they will be required to attend a three day assessment programme in the Inclusion Centre.

- Parents will be required to meet with the Inclusion Manager and will be contacted each day with a progress update.
- As a result of the baseline testing that has taken place a report will be created for the student.

4. An additional three exclusions or five isolations will result in a six week period spent in the Inclusion Centre.

- Parent will have daily updates and a review meeting will take place every 2 weeks.
- A Behaviour Action Plan will be completed.
- Students will complete intervention programmes in all subjects. They will also take part in key intervention courses.

Behaviour Hierarchical Protocol

For a student to become deemed at risk of a 3 day intervention programme they will have:

- Had 5 isolations in a term
- Had 3 Fixed Term exclusions in a term

Phase 1 – Student receives 3 Fixed term exclusions or 5 isolations during a term.	3 day intervention students	Who/When?

Inclusion Manager warning with any more incidents. • On the 2nd isolation/fixed term exclusion, parents and student meets with the Inclusion Manager to introduce the 6 week programme and talk about next steps. (2nd FTE – a deputy head warning letter is issued. • On the 4th isolation a Head Teacher warning letter is issued in a meeting with parents and student. • If a student has received 5 isolations or 3 more fixed term exclusions then they will immediately be admitted to the 6 week programme. • Parents and student sign an engagement contract. • A comprehensive review will take place during the first week of the intervention programme; this will be reviewed in week 6. Students will exit the protocol at any stage if their behaviour improves to an extent where they can access their curriculum without further disruption.

Strategies for the Classroom

Before the lesson starts:

<ul style="list-style-type: none"> • Be in your room on time. • Prepare the learning environment. • Read your behavioural support booklet. • Plan for your LSAs. • Brief your LSAs before the lesson begins. • Have a meaningful starter ready. 	<ul style="list-style-type: none"> • Consider your seating plans carefully. • Meet students at the door • Engage with students. • Differentiate fully. 	<ul style="list-style-type: none"> • Use students to help with 'housekeeping' tasks. • Check information supplied by year teams and faculties. • Implement a routine for borrowing equipment. • Be a presence around school.
---	--	--

During the lesson:

<ul style="list-style-type: none"> • Make your expectations clear. • Implement school support strategies. • Provide opportunities to succeed. • Model positive behaviour. 	<ul style="list-style-type: none"> • Change the task for the student. • Actively reward positive behaviours. • Celebrate moments of success. • Encourage positive and respectful language (sir/miss etc) 	<ul style="list-style-type: none"> • Involve students in teaching. • Employ LSAs effectively. • Talk to students that could become an issue. • Use peer mentors/experts. • Change your seating plan.
---	--	---

After the lesson ends:

<ul style="list-style-type: none"> • Prepare for an orderly dismissal. • Organise students to leave orderly and quietly (support their next teacher). • Make positive phone calls home. • Send postcards home. • Identify colleagues that are successful with issue students. 	<ul style="list-style-type: none"> • Work with Directors of Learning, Assistant Pastoral Leaders, SENCO and Inclusion Team. • Use the restorative conversation to build relationships. • Discuss strategies with colleagues. 	<ul style="list-style-type: none"> • Set behaviour management targets in your CPD/Appraisal meetings. • Document any issues/rewards on SIMs as soon as possible. • Prepare for a 'clean start' next lesson.
--	---	--

Restorative Conversation

The restorative conversation is an opportunity to rebuild the relationship with the student that has been sent to isolation. The conversation is not to be used as another telling off/administration of punishment – that has been done by sending the student to isolation.

The conversation should:

- Help the student reflect on their behaviour.
- Move the student on from that behaviour.

Reflecting on what has been done:

- Why do you think you were sent to isolation?
- How were you behaving when you were sent to isolation?
- Why were you behaving that way? (See difficulties below)
- How can we/you make things better when you are back in the lesson?
- How can I support you when you are back in the lesson?

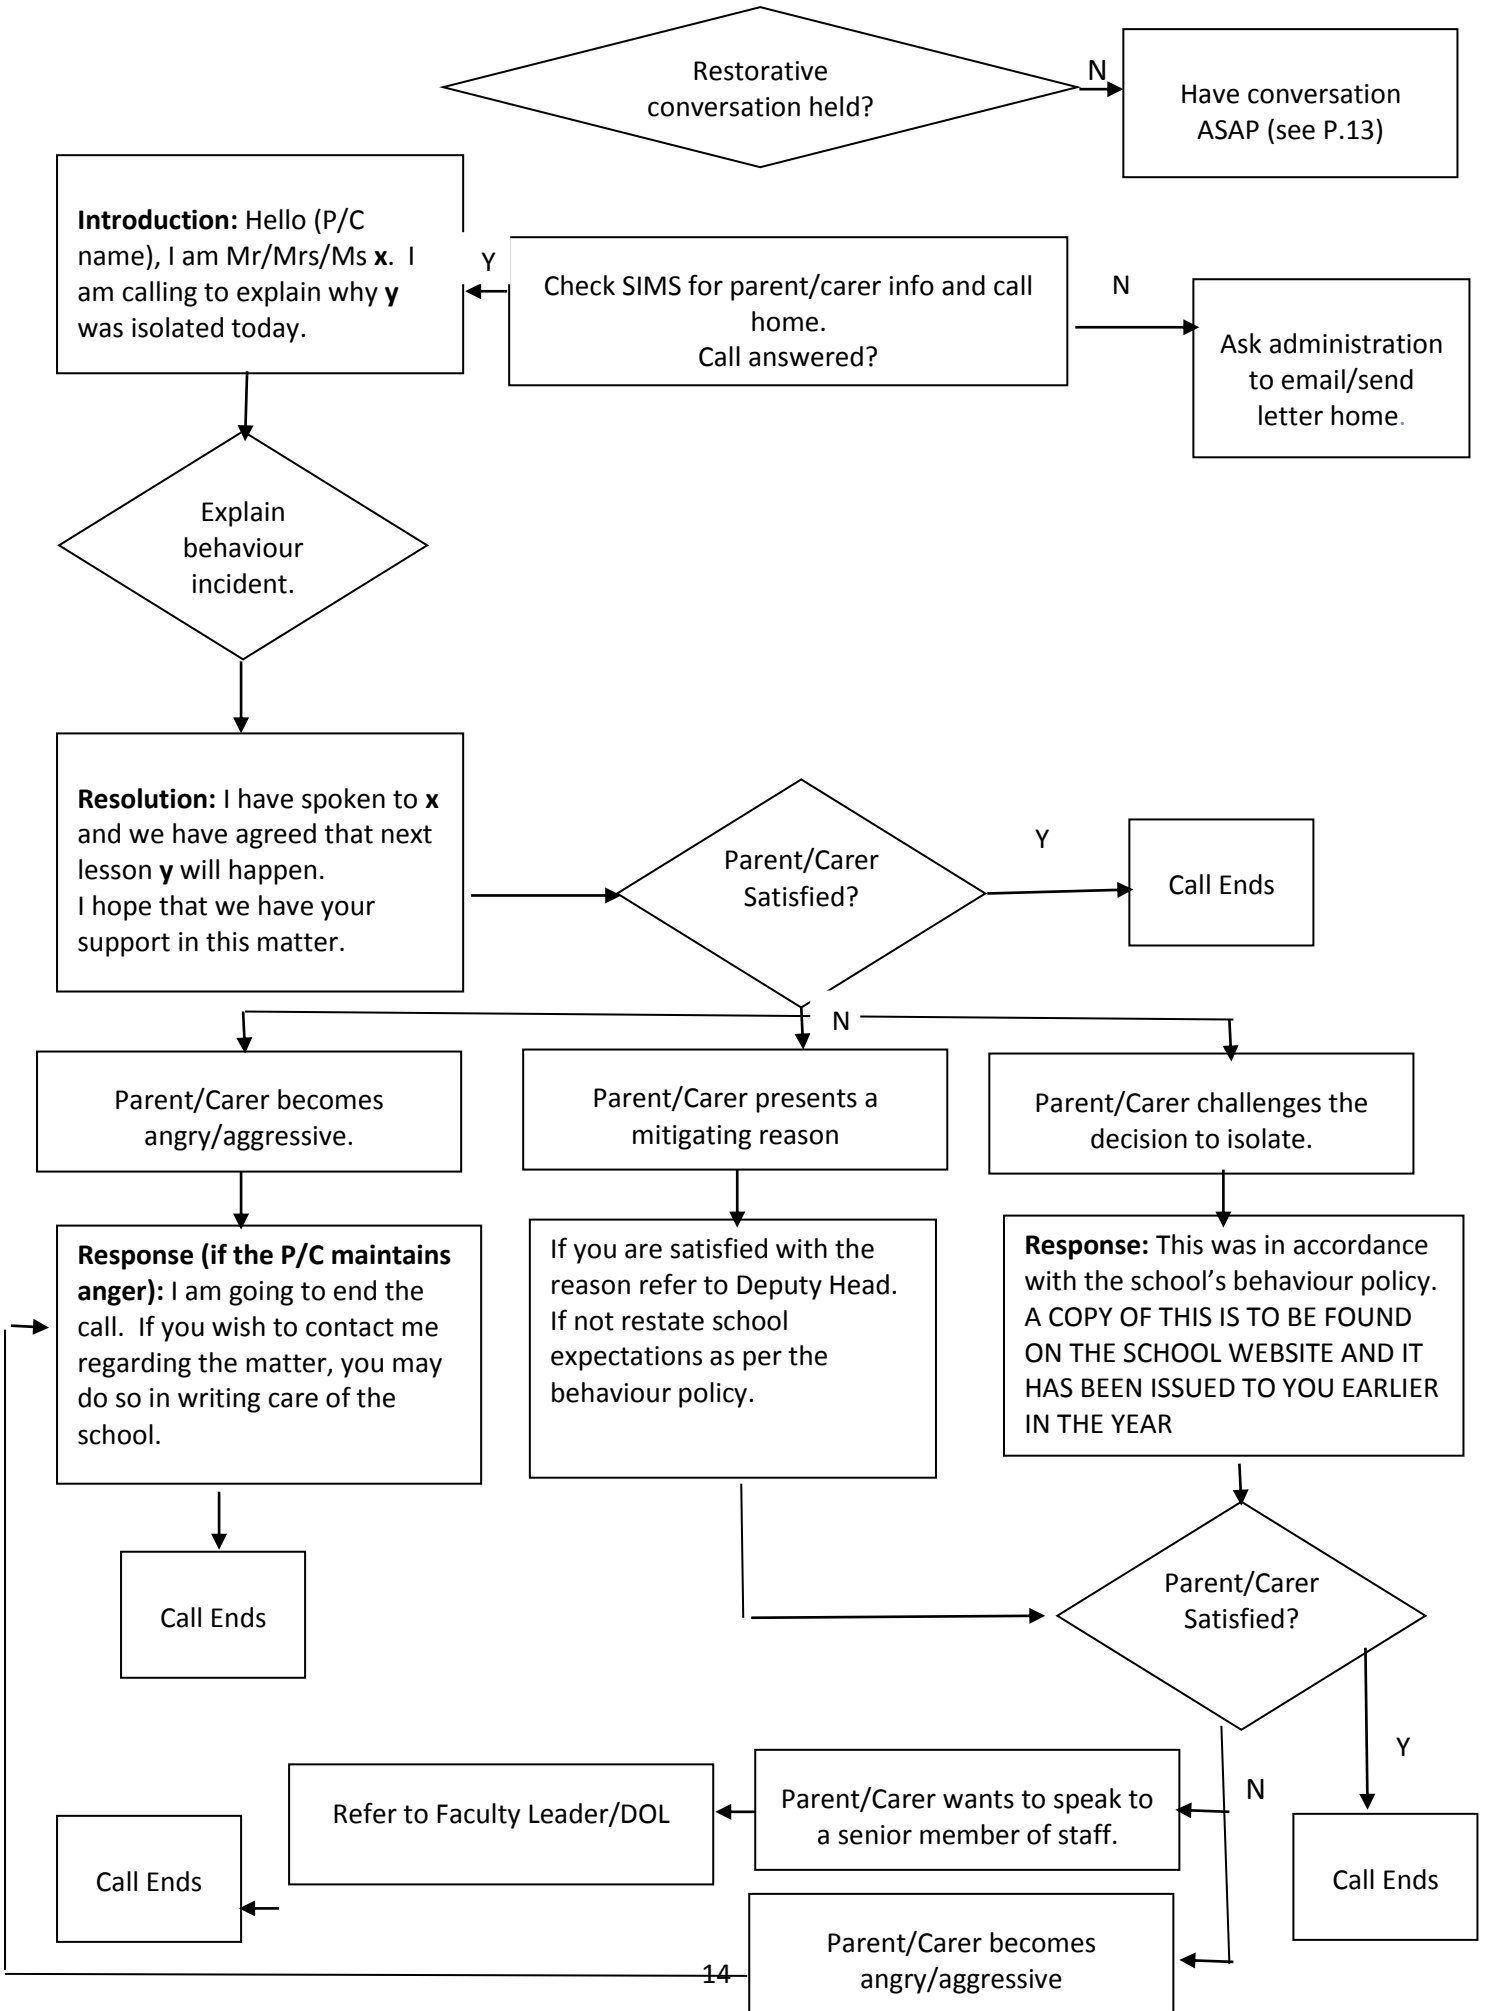

Moving on from the behaviour incident:

- Reinforce your expectations for behaviour in the lesson.
- How could you improve next lesson?
- Reinforce positive aspirations.
- Provide support for positive behaviours.
- Agree on a strategy to improve the student's behaviour in your lesson over the long term.
- Agree on a change that may benefit the student (level of difficulty of work, place in the seating plan etc.).

Difficulties you may face:

- Prepare for a difficult or challenging answer. A CP issue may be a mitigating factor in the behaviour and you may need to raise this with the Inclusion Manager. There may be another revelation that you may have to address. Always pass on any safeguarding concern no matter how small.
- Prepare to apologise. You may have missed something or sent the wrong student out.
- An apology can be a vital tool for building a strong relationship in the classroom.

Behaviour FAQs

What does disruptive and defiant behaviour look like?

Disruptive behaviour is anything that stops a student/students from learning. Defiant behaviour is any time the student refuses, directly or indirectly, to follow your instructions. Behaviours may include:

Calling out	Lack of work	Using a mobile phone
Off task chatter	Lack of immediate cooperation	Non completion of work
Talking over teacher	Lateness	Damaging equipment/ property
Distracting others	Poor choice of language	Name calling
Bickering	Chewing/eating in class	Headphones in or on display

What happens if?

I can't get in touch with home?

- Administration staff update contact details regularly. If these are not accurate when you do try to contact home, record the attempt to contact home and inform administration that the details are incorrect. Then, either a) ask administration to send a letter home or b) try again the day after the incident in question.

I have an after school duty and can't make it to the restorative conversation?

- Students will be required to stay in school until 3:15pm on the day they have been isolated. If this is not enough time, you may need to see the student during break, lunch or a free period. However you must go and meet with the student at the end of the day after duty if necessary.

I miss the restorative conversation?

- The first missed conversation will result in your Faculty Leader having an informal conversation with you.
- The second missed conversation will result in the Deputy Head having a more formal conversation with you.
- The third missed conversation will result in a formal conversation with Deputy Head Teacher, accompanied by a formal letter.
- The fourth missed conversation will result in a formal proceedings and guidance from Head Teacher which will remain on your file for one year.
- The fifth missed conversation will result in disciplinary action.

A student persists with negative behaviour in my classroom?

- If you have been following the system then the student will be picked up by the BSC for a three day referral. If negative behaviour still continues there will be a longer time spent in the BSC and you should speak to your Head of Faculty, Director of Learning or Deputy Head Teacher.

Behaviour FAQs

What happens if?

A student leaves my class, but does not arrive at the BSC?

- The student has five minutes to reach the BSC. If they do not arrive in this time they will receive a FTE.

I don't send many students to the BSC?

- If it is because you employ a wide range of behaviour management strategies and have strong relationships with your students then nothing will happen. You may be asked by your faculty leader or another school leader to mentor someone who is having difficulty with behaviour and model the systems you have in place.
- If it is because you are not using the system fully so it doesn't appear that you are having problems in your lessons, don't worry. The system is there to be used and you will not be judged for sending students to the BSC. It is much better to use the system and be consistent to support your colleagues (and get support) than it is to avoid a problem.

I send lots of students to the Isolation Room?

- If it is because you have a class with lots of behaviour issues and you are using the system correctly then nothing will happen. You should speak to your Faculty Leader, Director of Learning or Deputy Head to gain extra support in that lesson.

Who can I speak to if I have any issues or concerns about behaviour in my classes?

- Someone within your faculty or a colleague that is having success with a particular student.
- Faculty Leader.
- A member of the pastoral team.
- Learning Mentors.
- Key Groups Co-ordinator.
- Inclusion Manager.
- Member of SLT.

Student x is a well-known problem in lessons. How will he/she be dealt with?

Students who are 'well known' for their regular poor behaviour will be identified for conversations with SLT regarding their current conduct.

Boldon School Uniform Policy

The school is aware that parents welcome a standard dress for their children; this avoids the dictates of fashion and keeps down expense. The Governors know it is important that students should have a sense of belonging and common purpose, which is encouraged by a uniform so that social difference should be avoided.

Every student must adhere to this policy which has the total support of the Governing Body.

Cycles/Scooters:

The school strongly supports all students who wish to travel to school on a cycle or scooter. Students who bring cycles or scooters to school are strongly advised to bring a padlock in order to secure their cycles in the designated cycle shed. Any students found either riding a bike or scooter during school time or tampering with cycles or within the cycle shed will be placed on a 1 hour SLT detention or placed in the BSC for one day.

Fizzy or Energy Drinks and eating during lessons:

Fizzy drinks are not permitted in school at any time. Students who bring fizzy drinks into school will be placed on a 1 hour SLT detention and parents will be notified. The drinks will be taken from the young person and not returned. Students who continue to break this rule will be placed in the Behaviour Support Centre for a period of time at the discretion of the Inclusion Manager.

Eating is not permitted at any time during lessons or registration. Students who are eating within classrooms or corridors will be placed on a 1 hour detention. Further disruption will result in further disciplinary measures being taken with the student. Students may drink soft drinks or water during lessons but only after asking permission from an adult.

Background

Amongst the stated aims of the school are:

- To provide a working environment that is both supportive and challenging.
- To provide an environment with a positive atmosphere in which students can learn.
- To foster the philosophy that everyone matters.

We expect all members of the Boldon School community to behave at all times in an appropriate way.

General Principles

- Any system of discipline must be regarded as a positive and constructive process; the mainstay of a system must be the encouragement and rewarding of good behaviour rather than the punishment of unacceptable behaviour. Praise should be used whenever possible.
- Any system of discipline must have the full and active support of all members of staff if it is to be successful. It is vital that individuals see it as part of their responsibility towards colleagues that unacceptable behaviour is dealt with on the spot.
- Consistency in the application of the system of discipline is also necessary to its effectiveness; this again emphasises the collective responsibility that all members of staff must accept.

Code of Conduct for Students

The one rule for all of us is:

- Everyone will act with courtesy and consideration to others at all times.

This means that:

- You always try to understand other peoples' point of view.
- In lessons you make it as easy as possible for everyone to learn and for the teacher to teach. (This means arriving on time with everything you need for that lesson, beginning and ending the lesson in a courteous and orderly way, listening carefully, following instructions, helping each other when appropriate and being quiet and sensible at all times.)

We all move around the school with consideration. (This means never running, barging or shouting, but being ready to help by opening doors, standing back to let people pass and helping to carry things.) In crowded areas please keep to the right.

- We always speak politely to everyone (even if you feel bad-tempered!).
- We are silent whenever required.
- We keep the school clean and tidy so that it is a welcoming place for everyone. (This means putting all litter in bins, keeping walls and furniture clean and unmarked and taking great care of the displays, particularly of other peoples' work.)
- Out of school, walking locally or with a school group, or using the school bus, you always remember that the school's reputation depends upon the way you behave.
- You keep yourself clean and tidy at all times. (This means observing normal rules of hygiene, not using make-up or wearing jewellery other than that which is permitted and meeting the requirements of school uniform.)
- You must not bring to school any materials or objects which may cause harm to yourself or others. The senior staff at school have the authority to search students in accordance with DFE guidelines on Screening, Searching and Confiscation as follows:

Head teachers and staff authorised by them have a statutory power * to search students or their possessions, without consent, where they have reasonable grounds for suspecting that the student may have a prohibited item.

Prohibited items are:

- Knives or weapons.
- Alcohol.
- Illegal drugs.
- Stolen items.
- Tobacco and cigarette papers, including electronic cigarettes.
- Fireworks.
- Pornographic images.
- Any article that the member of staff reasonably suspects has been, or is likely to be, used to commit an offence, to cause personal injury to, or damage to the property of, any person (including the student).

**See guidance from DFE "Searching, screening and confiscation" – Advice for head teachers, school staff and governing bodies – February 2014.*

Reasonable Force*

All members of school staff have a legal power to use reasonable force. This power applies to any member of staff at the school. It can also apply to people whom the Head Teacher has temporarily put in charge of students such as unpaid volunteers or parents accompanying students on a school organised visit.

When can reasonable force be used?

- Reasonable force can be used to prevent students from hurting themselves or others, from damaging property, or from causing disorder.
- In a school, force is used for two main purposes – to control students or to restrain them.
- The decision on whether or not to physically intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances.
- The following list is not exhaustive but provides some examples of situations where reasonable force can and cannot be used. (Section 93, Education and Inspections Act 2006)

Schools can use reasonable force to:

- remove disruptive students from the classroom where they have refused to follow an instruction to do so;
- prevent a student behaving in a way that disrupts a school event or a school trip or visit;
- prevent a student leaving the classroom where allowing the student to leave would risk their safety or lead to behaviour that disrupts the behaviour of others;
- prevent a student from attacking a member of staff or another student, or to stop a fight in the playground; and
- restrain a student at risk of harming themselves through physical outbursts.

** See guidance from DFE "Use of reasonable force" – Advice for head teachers, school staff and governing bodies – July 2013.*

The school works closely with the police and will seek support from officers if the situation is very serious or if a young person fails to co-operate with all adults at the school.

Expectations in all Learning Environments

Learning spaces (including classrooms, labs, sports facilities etc) are your places of work. Just as in any factory or office, there need to be clearly understood rules and expectations to allow everyone to work successfully, safely and enjoyably.

1. Start of Lessons

- Enter rooms sensibly and go straight to your workplace.
- Take out books, pens and equipment.
- Put bags away (not on desks).
- Remain silent during the register (except when your name is called!).

2. During Lessons

- When your teacher talks to the whole class, remain silent and concentrate.
- If the class is asked a question, put up your hand to answer - do not call out (unless you are asked for quick ideas).
- You must have pen, pencil, ruler, planner and any books, folders or other equipment as needed.
- You are expected to work sensibly with your classmates: do not distract or annoy them.
- If you arrive late without justifiable cause you must expect to be detained for the amount of time you missed in order to make up the work.
- Homework must be recorded in your student planner.
- Eating, drinking and chewing are not allowed. If you wish to have a drink of water etc that you have brought to school, ask the person in charge of the lesson.
- Mobile phones; iPods or other distractions are not allowed during learning time: they will be confiscated and families will have to come to school to collect them from reception.
- You must not leave a lesson without a note from a teacher.

3. End of Lessons

- You should not begin to pack away or put on outdoor wear until your teacher tells you to do so.
- When told, stand and push in or put up your chairs; any litter should be picked up.
- Only when your teacher finally tells you to go may you leave the room.

4. Finally, but most importantly:

All adults at our school are in the position of parents/guardians while you are at Boldon. This means in particular that:

- There is no excuse for rudeness, disrespect or insolence towards any adult at Boldon.
- Any reasonable request from an adult should be carried out at once and without argument
- Breaking either of these basic rules will be treated as a VERY serious matter.

Inclusion Centre (The Hive)

The Inclusion Centre is a specialist centre based in school where students are referred to complete internal exclusions or placements following a period of poor behaviour. If a student displays behaviour and actions that warrant a fixed term exclusion, they will now be referred to the Inclusion Centre for a specified amount of time.

Referred students will complete their sanction in the Inclusion Centre. They will continue with their curriculum work with additional support as well as following an individual learning plan with a personalised focus for improvement (a specific intervention relevant to the student's individual behavioural, social or emotional needs).

The procedure in the Inclusion Centre is as follows:

- Parents/carers are contacted by telephone or letter prior to the commencement of the sanction.
- Students are to arrive at school at 10.00am and will be collected from main reception by a member of the Inclusion team.
- They must be dressed in full and correct uniform.
- They will remain in the centre all day (including during lunch and break time; therefore they need to either bring a packed lunch with them or order their lunch from the Bistro).
- They will complete curriculum work sent by their class teachers.
- They will follow a programme of support with a personalised focus for improvement.
- They will be supervised and monitored throughout the day by Inclusion staff.
- They will receive rewards (in line with the school's rewards system) for positive behaviour, attitude and work rate.
- They will repeat time in the centre if their behaviour, attitude and work rate are not acceptable.
- They will be escorted off site at 3.30pm.

On successful completion of the sanction, the student will follow a re-integration programme.

- They will be assigned a Key Worker (a member of the Inclusion team).
- They will be on report to their Key Worker for 2 weeks.
- The Key Worker will meet with the student to review their re-integration and /or support in identified lessons.
- The student will be closely monitored by their Key Worker to ensure continued improvements.

Behaviour Support Centre (BSC)

The BSC is the isolation room for students who are removed from a lesson. This can cater for up to 20 students at a time. All work is provided for students within the centre.

The centre operates from 8.30am until 3.30pm every day. Students will not leave the centre during the day including lunchtimes and breaks. Toilets are located next to the centre.

Students will complete the day in silence. Any student who misbehaves in the centre will receive a fix term exclusion for one day and then return with parents the following day. Teachers and behaviour support staff supervise the centre throughout the day.

Students are scored 1-4 each lesson, 1 being excellent, 4 being unsatisfactory. Students who do not score 1 / 2 for all lessons will repeat the day in the BSC until an acceptable standard is reached.

Students are expected to be in the centre at 8.30am. Students who are 5 minutes late or deliberately attend their normal lesson instead of BSC will incur an additional day in the BSC.

Students with Special Educational Needs

Prior to the exclusion of an SEND student a review of their needs must be held to consider the appropriateness of the exclusion.

Looked After Children

Exclusion for children in care should be an absolute last resort. It is vital that schools and social workers work together in partnership with other professionals and try every practicable means to maintain these students in school and only exclude in the most exceptional circumstances. Before excluding, schools, in conjunction with the local authority, should first consider alternative options for supporting the child or young person in care. No child in care should be excluded from a school without discussion with the local authority to ensure that there is suitable alternative provision available elsewhere.

Although the Education and Inspections Act 2006 only requires full time education to be provided from the sixth day of exclusion, such a break in education will have an impact on the education of children in care. To ensure there is minimal disruption to their education where a child or young person in care is excluded, it is the Government's view that schools and local authorities as appropriate should **arrange alternative provision from the first day** of the exclusion.

Types of exclusion

Two types of exclusion exist:

Fixed term exclusions can be for one or more fixed periods not exceeding 45 days in one school year.

Permanent Exclusion constitutes the most severe sanction and is used only as a last resort

- Where there is persistent challenging behaviour, to the detriment of the education and/or welfare of other students, following the application of a hierarchy of sanctions.
- Where a serious single critical incident of misbehaviour requires an immediate exclusion.

Behaviours which may warrant fixed term exclusion include:-

- **Physical assault against student**
Such as fighting/violent behaviour/wounding/obstruction and jostling or similar behaviours.
- **Physical assault against adult**
Such as violent behaviour/wounding/obstruction and jostling or similar behaviours.
- **Verbal abuse / threatening behaviour against student**
Such as threatened violence/aggressive behaviour/swearing/homophobic abuse and harassment/verbal intimidation/carrying an offensive weapon/jeopardising the health of students or similar behaviours.
- **Verbal abuse / threatening behaviour against adult**
Such as threatened violence/aggressive behaviour/swearing/homophobic abuse and harassment/verbal intimidation/carrying an offensive weapon/jeopardising the health of adult members of the school community or its visitors or similar behaviours.
- **Bullying**
Such as verbal bullying/physical bullying/homophobic bullying/racist bullying/cyber bullying or similar behaviours.
- **Racist abuse**
Such as racist taunting and harassment/derogatory racist statements/swearing that can be attributed to racist characteristics/racist bullying/racist graffiti or similar behaviours.
- **Sexual misconduct**

Such as sexual abuse/sexual assault/sexual harassment/lewd behaviour/sexual bullying/sexual graffiti or similar behaviours. Any student involved in such behaviour will be referred to the sexual health team.

- **Damage**
Includes damage to school or personal property belonging to any member of the school community/vandalism/arson/graffiti or similar behaviours.
- **Theft**
Such as stealing school property/stealing personal property (student or adult)/stealing from local shops on a school outing/selling and dealing in stolen property or similar behaviours.
- **Persistent disruptive behaviour**
Repeated disruption to the education of other students – despite the application of appropriate intervention strategies and a hierarchy of sanctions such as challenging behaviour/disobedience by repeated refusal to accept the authority of staff /persistent violation of school rules/bringing the school into disrepute or similar behaviours.
- **False allegations**
Making false and/or malicious allegations towards another member of the school community.
- **Other**
Such as *the use proxy or filter sites to access banned sites and other serious violations of the Students' Acceptable Use Policy; and other incidents which are not covered by the categories above; this category to be used sparingly.*

The above list is not exhaustive.

Behaviours which may warrant Permanent Exclusion include:-

- Serious or persistent physical assault towards any student or adult of the school community or its visitors; this will include serious actual or threatened violence against another student or member of staff.
- Serious or persistent verbal abuse/threatening behaviour against student or adult of the school community or its visitors.
- Serious or persistent verbal bullying/physical bullying/homophobic bullying/racist bullying or similar.
- Serious or persistent racist abuse.
- Serious or persistent sexual misconduct.
- Any drug and alcohol related incidents such as possessing illegal substances or equipment for taking them, or supplying illegal drugs or equipment for taking them on school premises. Any student involved in any drugs incident will be referred to Local Authority support programmes and the police may be involved.
- Serious or persistent deliberate damage to school or personal property.
- Serious or persistent theft or burglary, or persistent minor theft.
- Serious and persistent disruption to the education of other students by repeated refusal to accept the authority of staff – despite the application of a hierarchy of sanctions including fixed-term exclusion.
- Other serious incidents which are not covered by the categories above such as carrying an offensive weapon as defined in the *Prevention of Crime Act 1953*.

The school will inform the police where a criminal offence may have taken place.

The above list is not exhaustive.

The decision to exclude

Only the Head Teacher may exclude a student from school. The decision to exclude will only be taken after:

- A thorough investigation has been carried out.
- Evidence available to support the allegations has been considered, taking account of the school's behaviour and equal opportunity policies and Anti-Discrimination legislation where applicable.
- The student has been allowed to give his or her version of events.

Where a student engages in persistent disruptive behaviour and all sanctions short of exclusion have been applied, parents will be informed that exclusion will follow if their child's behaviour does not improve. This may be done at the Individual Learning Behaviour Plan meeting, or sooner if necessary. In such cases, the relevant Director of Learning and appropriate adult will consult with the Head Teacher before informing parents.

All behaviour contributing to a decision to exclude will be fully documented.

The procedure to be followed in the event of an exclusion

Notification of parents, governors, Executive Director Children and Young People's Service, teachers

The Head Teacher, or person delegated by him/her (usually the Head of Learning or Deputy Head Teacher) must inform the student's parents of the exclusion without delay. Notification must normally take place on the day before the exclusion and may be by telephone, but must be followed by formal notification in writing.

Parents must be informed of the length of, and the reasons for, the exclusion. The notification letter should contain sufficient information to ensure that the precise reason for the exclusion is fully understood. The letter will inform parents of their right to make representations to the Governing Body and the appropriate timescales for doing so. These depend on the nature and length of the exclusion.

Where the exclusion is permanent, parents have the right to see written evidence of the reasons for the exclusion, and any disciplinary measures taken prior to the exclusion including details of previous warnings and fixed term exclusions which have been imposed.

As this will take time to collate, it is available on request within 5 working days of any permanent exclusion.

The Main School Office will immediately send duplicates of the exclusion letter to:

- Governor Support.
- Services for Young People.
- Alternative Education Behaviour Support Services.

A copy will also be placed in the student's school record file.

Governors will be informed in the termly summary of all exclusions.

During exclusion

- Excluded students will be marked as 'authorised absences' during the period of their exclusion. An 'E' symbol will be used to indicate the reason for absence for up to 5 days and then other symbols used from the 6th day depending on circumstances.
- Excluded students must not be involved in any school activity or enter the school premises when school is in session. To do so will be deemed unlawful. The Head Teacher has the authority to allow a student to attend school to complete examinations.
- During the initial period of up to five school days of any exclusion, the parent of the excluded student **must** ensure that he or she is not present in a public place during normal school hours without justifiable reason. Failure to comply is an offence and a fixed penalty notice can be given if parents fail to do this.
- For exclusions of more than one day and less than 6 days students must be set schoolwork until they return to school or are removed from the school roll. The Director of Learning will make necessary arrangements for such work to be despatched and returned for marking. It will be made clear it is the responsibility of the parent/carer to ensure the work is completed and returned to school.
- For exclusions of more than 5 days students must be set schoolwork for the first 5 days. The Director of Learning will make necessary arrangements for such work to be despatched and returned for marking. From the 6th day of exclusion the school will make arrangements with the LA for the student to receive full time education until they return to school or are removed from the school roll.

Return to school after exclusion

Following the expiry of a fixed term exclusion

- The Head Teacher (or someone delegated by him/her) should arrange a reintegration contact with the parent/carer where the excluded student and his or her parent/carer will reaffirm their commitment to support the school. The reason for exclusion will be discussed.
- Where the exclusion period was 6 days and longer the Director of Learning will liaise with LA to ensure curriculum continuity.

The procedure to be followed in the event of an exclusion

The parents of a student excluded for fewer than 5 days may make representations to the School's governing body in relation to that exclusion. The governing body cannot however direct reinstatement.

The parents of a student excluded for between 5 days and up to and including 15 days can request the School's governing body to review the decision of the Head Teacher. This request must be made in writing as soon as possible. The governing body must meet no later than 50 school days following notification of the exclusion.

Where a student has been excluded for more than 15 days in one term or permanently the School's governing body **must** meet no later than the 15th school day following notification. They meet to consider the exclusion and must:

- Invite the parent, Head Teacher and LA officer to a meeting which is convenient to all parties.
- Have appropriate documentation in advance of the meeting

The role of the governing body is to review the decision of the Head Teacher. It cannot increase the severity of the exclusion. The governing body can:

- **Either** uphold the exclusion
- **Or** direct the student's reinstatement (either immediately or by a particular date)

The governing body will inform the parent, the Head Teacher and the LA of its decision in writing.

Parents of a student who has been permanently excluded have a further right of appeal to an Independent Appeals Panel within 15 school days of receiving the decision of governing body.

Permanent Exclusions

The Head Teacher and relevant Director of Learning will produce a written report detailing the circumstances of the offence or persistent behaviours which triggered a permanent exclusion and provide a record of the student's behaviour prior to the exclusion. This report will be sent to the parents of the excluded student before the appeal meeting, and also to governors present at the meeting.

Information on the various stages of a Governors' meeting convened to consider an appeal against exclusion is contained in 'School Governors': a Guide to the law' (DCSF, 2009).

A record of all decisions made during all stages of the exclusion process will be placed in the student's school record file.
