

Head Teacher Weekly Update 20 August 2020

I hope everyone is enjoying the summer holidays and the continued warm weather. Our year 11 students have received their results and despite the continued uncertainty with the way they have been conducted, they have performed exceptionally well. We cannot confidently give you an exact figure of progress, as the BTEC results have been withdrawn and will be reissued next week. However, we are confident that Baldon has made progress for the 4th consecutive year and we would like to formally thank all the students for their fantastic efforts over the last 5 years. You have been an absolute credit to the school. I would also like to thank all parents and guardians for your support and understanding during this incredibly challenging and stressful time.

Students who wish to re-sit any qualification need to inform the school by Monday 7 September via email to Mrs Olley, our examinations officer, Joy.olley@boldonschool.org.uk. Further details including costs and procedures will be given then. Please note students would have to prepare for any re-sits themselves. There is also the option to re-sit in summer 2021 with your selected college or sixth form.

Our risk assessment document and parental booklet on full reopening have been revised and completed and are currently seeking approval from the governing body and the professional associations. Once these documents have been accepted, we will publish them on our website and social media pages as soon as possible. The school will reopen to students from Wednesday 9 September at 8.30am.

Wednesday 9 September – years 7, 8, 12 and 13 only.

Thursday 10 September – all students.

I hope you enjoy the last few weeks of the holiday and we are all looking forward to seeing you in September.

Mr I Noble
Head Teacher
