

## Annex 1

The following document outlines extra measures to be put in place for Boldon Schools Summer school, commencing 26/8/21.

### Access point for students attending Summer school

- All pupils will enter the building via the main yard for 8.15am.
- Pupils will then be collected by a member of Summer school staff.
- All pupils will be collected from the main yard, parents will access the staff car park (opposite the community centre) to wait for students for collection.
- Students will only access the following classrooms: EN1, MA6, IT4, IT3, SC8, HU9, POOL/CHANGING ROOM, SPORTS HALL, SALON, MA8, CANTENN, BREAKOUT AREA (outside staffroom) and TOILEts (outside staffroom) in their designated bubbles.

### Toilet and washing facilities

- Students will have access to toilets nearest the staff room and maths department and should use these across the course of the week.

### Travelling

- Students are welcomed to wear masks on any transport they take within the week. This is not compulsory but our staff members will be wearing them.

### Food

- Canteen will be open for free school meal students. In addition, all students will have an opportunity to purchase food in break and lunch.
- Packed lunches are welcome.
- Students will eat lunches in the dining area.

### Break-time

- Students will have access to an indoor breakout area which is located opposite the staff room.
- Students will also have access to the main yard.
- Students will be supervised at all times.

### Covid Safety- Will this change dependant on the next announcement ?

- Students will be given a lateral flow pack at the beginning of the week- which they do not have to use, but can do so at home if they feel they would like to.
- Add about stairs
- Students are not obligated to wear masks around school but can if they wish to, school shall supply these.
- Students will be one collective bubble, within this bubble we shall endeavour to keep students within their class groups.

- From guidance dated 6/7/21, students who are in close contact with a confirmed case no longer have to isolate. Any parents of students who test positive must contact the school to inform the admin team. Students within their class bubble will be advised to take a lateral flow test.
- All relevant rooms shall be deep cleaned after any positive case.
