

Head Teacher Newsletter July 2021

Dear Parent/Guardian

This is our final newsletter of the year as we look forward to wellbeing events in our final week. We have planned an excellent programme of enrichment, careers and wellbeing activities in which all students and staff will be involved. Further details are explained later in this newsletter. **Students will be dismissed at 11.45am on Friday 23 July 2021.**

This academic year has been a really long and challenging one, which started in August when we began to plan for new Covid-19 restrictions. I hope that next year will see much less disruption and allow students to be in school throughout the year. Hopefully, track and trace, isolation, positive cases, risk assessment, remote learning and centre assessed grades will not be the most used terms when September comes around. We hope that the government and department for education can solve some of the issues which have prevented students attending school throughout the year and September will see the return of a full school programme with parent's evenings, celebrations, school visits and excursions as part of our normal day to day practice.

I would like to take this opportunity to thank all staff, students and parents for supporting us in this really challenging and turbulent time. Despite constant disruption to our school, we have received great encouragement and understanding of the situation we have found ourselves in. Parents in particular, have had to deal with constant emails and phone calls explaining that children have to self-isolate and be sent home. I would like to thank you for all your kind words and patience with regard to our procedures and how you have tried to support your children with their education during the year.

The students have been fantastic and have behaved in an impeccable manner in school. They have followed instructions and guidelines at all times and have been very understanding of the situation. We look forward to September where our lessons will continue to be disruption-free, in order to maximise student achievement. Our full school uniform will return and students will be expected to wear a full uniform with shoes.

Next year, we will be introducing lots of activities and additional support to ensure that all students are not left behind with learning and are given the best possible chance to achieve their target grades. Our achievement and pastoral teams continually assess students to ensure that they make sound progress and stay on track to achieve targets. We will be sending our after school programme to parents in the new year, which will contain information on clubs, groups, study support and intervention sessions.

Our new Year 7s will be joining us in September and for the second year running we have a full cohort of 221 students. This is excellent news for our school and it allows us to invest in further key aspects such as our ICT resources, the school website and staffing. We will have over 1000 students in 2021/22 and we are fast approaching a full school for subsequent years. Over 100 new year 7 students will be attending the Summer School during the first week of the holidays with over 20 staff in attendance.

Some additional meetings have been added to the calendar from September to ensure that our parents can begin to attend face to face meetings with our staff. Those meetings are detailed below.

YEAR GROUP	PARENTS EVENING
Year 7	Year 7 welcome event – Tuesday 7 th September (3.00pm until 4.30pm)
Year 8	Parents evening (meet the tutor) – Tuesday 14 September 2021 (4.00pm – 6.00pm)
Year 6	Open evening – Thursday 28 th September (6.00pm – 8.00pm)
Year 11	Y11 Parents and revision evening – Tuesday 11 th January – (4.00pm – 6.30pm)

Return to School

Monday 6 September 2021

Designated staff training day – no students in school.

Tuesday 7 September

Year 7 students will start at 8.30am and will be housed in our yard at the back of the school. They will be met by their form tutor. Students will be dismissed at 2.45pm to either go home or meet parents for the welcome evening.

Our Year 11 students will start at 9.30am and enter via the outside gates, they will finish school at 2.15pm on this day only as we have a Year 7 welcome event for our new parents in the afternoon. It will allow parents to access the school from 2.30pm before attending the welcome event.

Wednesday 8 September

All other year groups will return to school for an 8.30am start. All students will be in tutorial for lesson 1 to organise timetables and school regulations and requirements.

Year 7 Welcome Evening

Parents will be directed to a hall from 2.45pm from our main reception. Presentations will be given from one of our senior staff and will begin at 3.00pm. Parents can meet up with their child in school in our school reception area and attend one of the presentations. After they have taken place, parents and students will be taken on a tour of the school with one of our Year 8 peer supporters. Senior staff will also be around at the end of the tour to answer any questions that parents and students may have. We anticipate the event will last until no later than 4.30pm.

Have a fantastic summer holiday, recharge those batteries and we look forward to seeing both parents and students in the new year.

Covid-19 Testing Arrangements – September 2021

The government has announced that there will be further testing of students before all return to full time education. All students will need to complete two lateral flow tests within a 3-5 day period. If any students test positive following a lateral flow test, we will notify parents immediately and ask them to isolate before taking a PCR test. The testing plan for all students is detailed below.

Monday 6 September - Year 11 and 7 students attend during the day for a Lateral Flow Test , they then return home and begin school on Tuesday 7th of September as long as the test is negative.

Tuesday 7 September - Year 8,9 & 10 students attend during the day for a Lateral Flow Test. They then return home to begin school on Wednesday 8th of September as long as the test result is negative.

The second Lateral Flow Test will be while the students are attending school on either the 9th or 10th of September.

Further information about specific times for students to attend school for their Lateral Flow Test on the 6th and 7th of September will be sent to all parents at a later date, towards the end of the holidays.

Staff Training Days for 2021/22

Our school will be closed to students during our next academic year on the following dates for staff training days:

- **Monday 6 September 2021** – Staff training day
- **Friday 3 December 2021** – Staff training day
- **Tuesday 4 January 2022** – Staff training day

Change of Details

A reminder that if you change any of your contact details, please contact the school office as soon as possible so we can update our systems. It is important we have up to date addresses, telephone numbers and email addresses for all of our students so you do not miss any information.

Free Internet Access

Northern Powerhouse Partnership, in partnership with Vodafone, are offering the opportunity to provide Boldon School students with access to the internet for free by distributing 50 dongles. The selected 50 students will have access to the internet for 90 days - this could be excellent for remote learning. To be in with a chance to receive a free dongle, please complete the attached questionnaire (click on link):

<https://forms.gle/MqAPUi6AyXG3wFgP6>

Website Updates

We are delighted to launch the first phase of our Curriculum area to the school website. This will enable parents/ carers/ students to explore a breakdown of what your child is being taught every half term across each academic year. The curriculum area is separated into subjects where a clear and concise table describes the content each student is taught across the year. Each subject explains both their intent and learning journey for our students.

In the new academic year the website will evolve with more detailed, specific learning focuses, to enable you to support your child and help to enhance and understand what each course entails, where in depth feedback is focussed and explain any resources or apps that would help to support a curriculum area.

Rewards

September will see the introduction of a new Rewards Policy. We aim to motivate and encourage students, fostering the nature of competition between individuals and year groups. The impetus behind this is to recognise achievement and promote a culture of achievement and hard work within our school. Students can collect reward points from teachers, LSAs and associate staff, both inside or outside of lessons.

Students will be rewarded in the following categories:-

- *Praise
- * Outstanding Progress
- * Outstanding Home-Learning
- * Contribution to the wider school community
- * Attendance
- * Wow Award (new for September 2021)

The introduction of Google Classrooms and Class Charts brings exciting new possibilities to improve communication between school and home. We look forward to celebrating the achievements and potentials of all of our students here at Boldon.

Follow the link below to view our current Rewards Policy – a revised policy will be available in September that shows the changes.

[Rewards-Policy-2021.pdf \(boldonschool.com\)](#)

Behaviour

Please follow the link below to view our updated Behaviour Policy – these changes will be live from Tuesday 7 September 2021.

<https://boldonschool.com/wp-content/uploads/2021/07/Behaviour-Policy2021-1.pdf>

Enrichment, Learning & Fun – Last week of term 19-23 July 2021

During the final week of this academic year, our teachers are designing enrichment activities that are interactive and project focused. Whenever possible, these lessons will be linking normal curriculum learning to careers and employability skills.

The week will include crime scene investigations in science, tycoon entrepreneurs in mathematics, “Dragons Den” and “Devils Advocate,” in English. The EBACC faculty will offer a range of activities including French food and culture, designing and building a sustainable city, and escape room games based on the Tudors and World War II.

In preparation for the new academic year students in IT and vocational subjects will be setting up their Skills builder (Years 7 and 8) and Uni-frog accounts (Years 9 and 10).

Skills Builder is a computer based launch pad where students self-assess their strengths and development areas in each of the 8 essential skills needed in the world of work: Speaking, Listening, Problem Solving, Creativity, Staying Positive, Aiming High, Leadership and Teamwork. Over the coming year they will participate in lessons and activities either independently or teacher led, to build their own essential skills. The platform can be accessed by parents and students at home for free at <https://www.skillsbuilder.org/parents-and-carers>

Unifrog is also a computer based platform that brings into one place every apprenticeship, university course and college course in the UK, as well as career opportunities and School Leaver Programmes. Unifrog is a one-stop-shop where students can easily explore their interests, then find and successfully apply for their next best step after school. It will help them to explore their key interests and what career paths they can take to reach their goals! The platform makes it easy for students to write their CVs and Personal Statements and record their key skills.

Our enrichment program is interactive and project-focused to enhance the life chances of all our students, by promoting a career development culture which is an essential part of the mission and ethos of our school.

Other benefits from our enrichment activities include leadership and social skills development. These skills can help to build greater self-esteem and higher goal achievement in both current academic situations and in the pursuit of long-term careers.

During our wellbeing/enrichment week, 19-23 July 2021, students will be following their normal timetable of lessons, to ensure their safety, well-being, and compliance with COVID-19 risk assessment. We expect this to be an enjoyable end to a school year, that has had its challenges for all.

Boldon School Combined Cadet Force (Royal Navy)

To mark Armed Forces Day on Saturday 26 June, members of our school community were involved in activities that we enjoy as Combined Cadet Force (Royal Navy) Cadets (CCF RN), that develop friendships, teamwork, and leadership skills.

There was a lot of curiosity from many as the CCF (RN) Field Gun was introduced to our Cadets and friends, who were briefed on safety drills in preparation of our very own Field Gun Crew, that will compete in future competitions under the leadership of CI Brander and LC Brander.

Big thanks to the Royal Navy personnel, who organised and delivered the day!

Due to the increase in COVID-19 cases, and to reduce risk of transmission in the school, all extra-curricular activities have been cancelled until the end of the summer term.

THERE ARE NO CADET PARADES AFTER SCHOOL. We aim to open again on Tuesday 14 September 2021. If you attend Boldon School and would like to join our Combined Cadet Force (Royal Navy) in September, please speak to your tutor or contact Lt Moir.

Date: 16th July 2021

Dear Parent/Carer/Guardian

Contact Tracing of Positive COVID-19 Cases Within Education Settings

From Monday 19th July 2021, the Government has advised that close contacts in schools will be identified via NHS Test and Trace and schools will no longer be expected to undertake contact tracing.

However, I am asking all South Tyneside schools, working with the Public Health Team, to continue to undertake close contact tracing of positive cases within the school until the end of this term. If your child's school contacts, you to tell you that your child has been in close contact with a positive person in the school then your child will be required to self-isolate and you will receive a letter to this effect.

I have not taken this decision lightly. I want to keep all children, staff and the wider community of South Tyneside as safe as possible leading into the summer break.

The infection rate in South Tyneside now is extremely high and increasing every day. The number of people being admitted to hospital is also increasing.

Schools in South Tyneside will also continue with the current protective measures that have been operating, as outlined in their risk assessments, until the end of the summer term (e.g. bubbles, limited visitors, staggered entry/departure times, staggered lunchtimes, increased cleaning etc). This will help to minimise the impact to schools and allow them to stay open until the end of term.

With one week left of term for most schools, it is important that we continue to reduce risk and manage positive cases and close contacts of positive cases in our schools in the same manner we have done up until now.

Please note that from 23rd July 2021 NHS Test and Trace will work with either the positive case – or in the case of children – the parents, carers or guardians of the positive case to identify close contacts.

Thank you for your continued support and cooperation.

IMPORTANT INFORMATION

From Wednesday 4 August 2021,
children's A&E services at South Tyneside
District Hospital will change to:

South Tyneside + Urgent Care for Children

This is a new
nurse-led service
open from
8am until 10pm,
7 days a week.

Please read this leaflet.

The path to
excellence

On Wednesday 4 August 2021, children's A&E services in South Tyneside will change.

South Tyneside nurse-led + Urgent Care for Children

This is a new nurse-led service. It can treat children from birth, up to the age of 16. It will treat children for minor injuries and illnesses which are **urgent** but not life threatening.

This includes, for example:

- Broken bones
- Children who have breathing problems such as asthma
- Common childhood infections in the chest, ears or throat
- Children who are being sick or have diarrhoea
- Cuts and open wounds that need closing
- Minor burns
- Minor bumps or head injuries
- Sprained ankle or a strained muscle

The service is open from
8am until 10pm every day.

If we think your child needs more specialist care, we will safely transfer them to another hospital.

Children's Emergency Department Sunderland Royal Hospital

This service treats children from birth, up to the age of 16 who have major, **life threatening** problems.

This includes, for example:

- Children who are drowsy or have lost consciousness
- Children having a fit or seizure
- Children who have swallowed a poison or harmful substance
- Severe breathing problems or choking
- A rash that doesn't disappear under pressure from a glass
- Fever in a baby under three months of age
- Children with a mental health crisis or self-harm
- Severe chest or tummy pain
- Severe burns or blood loss
- Testicular pain

This service is open 24/7
every day.

SHOPPING HOURS

Monday - Saturday 9:30am - 6pm

Thursday open until 8pm

*Sunday 10:30am - 5pm

*10:30 - 11am browsing only

GROWING FEET

We have made a few changes to our in-store fitting service to help provide a safe shopping experience for your family and our Partners. This includes respecting social distancing guidelines, implementing protective screens and using specialised equipment to carry out the fitting appointment, including Partners wearing PPE and regularly cleaning the department.

Up to the age of four, your child's feet can grow by two whole sizes each year. By the time they start school, this will usually slow to one size a year. Checking whether your child needs new shoes is vital to maintain the health of rapidly developing feet. A shoe fitting service is available in our Newcastle shop.

We offer 3 types of appointment with our fitters who are trained by either Clarks or Start-rite; General Shoe Fit, First Shoes Fit and Back to School Fit. In the booking process you'll be asked to choose your appointment type and to indicate how many children you'll be bringing along.
