

# Science Faculty Remote Learning Plan

(Jan/Feb 2022)

Year 7 Science	Topics covered include: Atoms, Elements and Compounds Body Systems Light
Year 8 Science	Topics covered include: Energy Separating Techniques Adaptation and Inheritance Metals and Acids
Year 9 Biology	Cells and Growth will be covered
Year 9 Chemistry	Topics covered include: Atomic Structure Periodic Table
Year 9 Physics	Topics covered include: Motion and Forces Energy
Year 10 Biology	Health and Disease will be covered
Year 10 Chemistry	Quantitative Chemistry will be covered
Year 10 Physics	Topics covered include: Light Electromagnetic Spectrum Radioactivity
Year 11 Biology	Topics covered include: Exchange and Transport Ecosystems (for combined classes only)
Year 11 Chemistry	Topics covered include: Fuels The Earth's Atmosphere
Year 11 Physics	Topics covered include: Magnetism Electromagnetic Induction The Particle Model (for combined classes only)
