

Our Ref: INO/SWE/JRO/SLT1103

13 January 2023

Dear Parent/Guardian

As a school we ask for your support in our drive to continue to improve standards regarding uniform and equipment.

All students should be following the school's uniform policy. This is:

**Smart, polishable black shoes**

**Black Trousers or Skirt (of a suitable length) and tights**

**White polo shirt**

**Black school sweatshirt**

Students are allowed minimal make up, however, students wearing excessive makeup are required to remove it or, if appropriate, will be sent home to remove it. No facial piercings or no jewellery of any kind apart from a small pair of earrings and a wrist watch.

Hair should be of a natural colour and no false eyelashes or spray tans are allowed.

A link to the school's uniform and equipment expectations can be found on the link below:

<https://boldonschool.com/parents/school-uniform-equipment-expectations/>

If your child requires an alteration to the uniform because of medical needs then please contact your child's Year Lead, followed up with a letter, supported by a doctor's/health professional's note to confirm this.

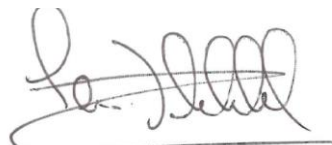

Any student who does not meet these expectations will be given an after school detention or placed in the BSC until a solution can be found.

If any parent requires support in purchasing uniform items, please contact the pastoral team and we will support wherever possible.

Yours sincerely

Mr I Noble  
Head Teacher

Mr S Welsh  
Assistant Head Teacher
